Fuji Electric Co., Ltd.

Power Electronics Industry Business Group Suzuka Area

5520, Minami tamagaki-cho, Suzuka-city, Mie, Japan

CERTIFICATE

Certificate No.: QC08J0123

ISO 9001:2015 · JIS Q 9001:2015

- ①The design/development, manufacture and serbing (repair) of the following products
 - Motor, generator, motor for various application, generator sets
 - Inverter and servo system equipment, adjustable drive unit and system of industrial
 - Industrial electromagnetic melting & heating equipment, general-purpose heating inverter and environmental applied equipment such as ozone generators
 - Control equipment and power supply equipment of train and sliding door drive system for train
- ②The design/development of power-supply unit (switching power-supply units, small power-supply unit)

Our organization certifies the organizations described in attached Appendix to be complied with the requirement of indicated above management system.

Registration Date :22/Mar/2002
 Recertification Date:19/Mar/2022
 Issue Date :12/Jan/2022
 Certificate Expiry :18/Mar/2025
 (Transfer Date:13/Mar/2009)

APPENDIX

Fuji Electric Co., Ltd.

Power Electronics Industry Business Group Suzuka Area

Fuji Electric Co., Ltd.

Suzuka Factory, Power Electronics Industry Business Group
5520, Minami tamagaki-cho, Suzuka-city, Mie, Japan

- 【①The design/development, manufacture and serbing(repair) of the following products.
 - Motor, generator, motor for various application, generator sets
 - Inverter and servo system equipment, adjustable drive unit and system of industrial
 - Industrial electromagnetic melting & heating equipment, general-purpose heating inverter and environmental applied equipment such as ozone
 - Control equipment and power supply equipment of train and Sliding door drive system for train】

Power Electronics Components Development Center,
Development Division, Power Electronics Industry Business Group

5520, Minami tamagaki-cho, Suzuka-city, Mie, Japan

- 【①The design/development of the following products.
 - Motor, generator, motor for various application, generator sets
 - Inverter, servo system equipment, adjustable drive unit and system of industrial
 - Industrial electromagnetic melting & heating equipment, general-purpose heating inverter and environmental applied equipment such as ozone generators
 - Control equipment and power supply equipment of train and sliding door drive system for train
- ②The design/development of power-supply unit
(switching power-supply units, small power-supply unit)】

Customer Service Department,

Factory Automation Systems Division, Power Electronics Industry Business Group

5520, Minami tamagaki-cho, Suzuka-city, Mie, Japan

- 【The technical support lines of the following products
 - Motor generator, motor for various application, generator sets
 - Inverter, servo system equipment】

Certificate No. :QC08J0123
 Registration Date :22/Mar/2002
 Recertification Date:19/Mar/2022
 Issue Date :12/Jan/2022
 Certificate Expiry :18/Mar/2025
